

I-20 Program Extension Request

Students may request an extension to their I-20 program dates for medical or academic reasons. Extensions must be submitted BEFORE the current program end date. To request an I-20 extension, you should submit:

- This I-20 Program Extension Request form
- An updated bank statement or bank letter
- An updated sponsor letter (if the funding source is not your own)

First Name: _____ Last Name: _____

SEVIS I-20 Number: N _____

Current I-20 Program End Date: _____

Requested Future I-20 Program End Date: _____

(Final session you will attend)

Please explain why you would like an I-20 program date extension:

- Reduced course load for medical reasons requires additional time to complete program
- Additional sessions needed to complete program
- Other: _____

Please note: In general, extensions are only granted one time. Requests for a second extension will require additional academic and immigration compliance review.
