Serving More Communities in 2022

JANUARY 26, 2022 BY DUSTIN LESTER AND JOEL SIMON

Community Insights Consulting Highlights
Last year, communities across the country focused their efforts on adapting their economies to sustainably address four distinct and interconnected priorities:

- COVID-19 economic recovery
- Workforce equity
- Supply chain disruptions
- Skilled labor shortages

2022 Spring KSU's STEM Job Fair

February 28, 2022 by Career Advising at CPE

Career Advising at the College of Professional Education at KSU was invited to attend the 2022 Spring KSU's STEM Job, Co-op, and Internship Fair at Marietta Campus on February 22 & 23.

More than 1,600 students joined the job fair. Our Career Advising team was able to share information on professional certificate programs with the participants.

Location: Virtual Webinar

KSU Professional Education Job Board

We’ve launched a Facebook Job Board for KSU’s College of Professional Education current students and alumni to join. We want this to be an interactive networking space where you can connect with employers and even share job listings with one another.

Join us TODAY to explore our current listing.
