Top Skills for 2022: Human Skills

JANUARY 25, 2022 BY ETHAN OLDHAM

Human skills apply across multiple industries, indicating the general personas that companies are looking for. The big takeaway here is that, going into 2022, companies are looking for leaders, people who are good at people. Let’s dive a little deeper into the top five human skills.

Top Human Skills*
1. Companionship (33%)
2. Critical Thinking (18%)
3. Goal Setting (15%)
4. Self-Start (15%)
5. Self-Motivation (15%)

*Annualized growth since 2016

Summer of Exploration Conference at Marietta High School

FEBRUARY 2, 2022 BY PATHWAY ADVISING AT CPE

The College of Professional Education at KSU was invited to attend the 3rd Annual MCS Engineering Pipeline Summer of Exploration Conference at Marietta High School on the 29th of January. More than 25 different organizations joined the conference providing K-12 students After-School Programs, Online Learning Opportunities, Summer School Programs, and more.

During the conference, the Career Advising Program Manager at CPE promoted the professional certificate programs and Summer University programs to the participants, including K-12 students & their parents, and also explored opportunities for future collaborations with local high schools.
